Together For Children

Together For Children (TFC) was established by the Oregon State Legislature in 1989 to assure that every Central Oregon child would be ready to learn upon entering kindergarten and to prevent child abuse. Together For Children's mission is to enhance the lives of children by strengthening families through parent education, parent/child interaction and community support. Together for Children is a non-profit organization that directly affects the health and well-being of the children in Deschutes County. It is a support and parenting education program for families with children from birth through three years old.
